

Our charming venue in the Heart of Golcar began life as a cloth finishing mill, with parts of the building dating as far back as 1774. The Weaver's Shed is now home to a reputable restuarant, atmospheric bar and six luxurious bedrooms including a romantic bridal suite. With rural surroundings, The Weaver's Shed is one of the most picturesque venues in the area. As a family run business, we can guarantee you the personal attention required to bring your ideas and dreams to life.

Our commitment to you is that once we have formulated the perfect plan, we will take care of everything for you - leaving you to enjoy your day entirely relaxed as your big day is as important to us as it is to you.

Your dream day starts here...

Full of rustic charm, our building is surrounded by tranquil garden areas, making for truly unique wedding photo opportunities. Our grounds provide the feeling of total inclusivity for your guests as you create memories to last a lifetime with your family & friends.

Whether you choose to use our manicured lawn, canopy enclosed courtyard, or make use of the balconies, stairwells and crevasses - we know you'll be struggling to narrow down the choices for your album.

# Whether it is an intimate gathering or a large family celebration, we can help you make the most of your big day.

Our large venue with multiple different areas for hosting means we can cater for both small ceremonies or for those with larger families desiring a spectactular celebration. The Weaver's venue capacity is as follows;

Upstairs: 50 seated
Downstairs: 120 seated
Bar Area: 80 people (standing)
Outside Gardens: 150

When it comes to the special moment, if the weather is inclement and you have chosen to tie the knot in one of our beautiful feature areas outside, we are able to move the ceremony inside within fifteen minutes for your peace of mind. Here at The Weaver's Shed, our friendly and adaptable team will strive to cater for your every need.

# Weaver's Shed

Our first floor function room, full of rustic charm and complete with its very own bar area, provides the perfect space to host your wedding breakfast or evening reception.

Dinks & Dinks

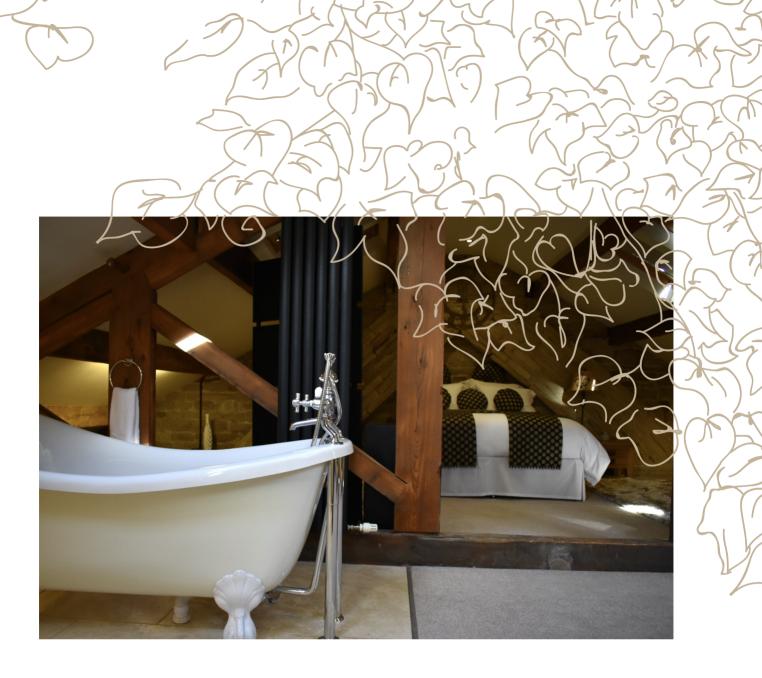

# You prepare the speeches, and we'll make your wedding breakfast memorable.

It's stressful enough putting together a speech that thanks everyone, keeps them amused and doesn't go on too long. Allow us to ensure everything from the drinks reception on arrival, through to your exquisite wedding breakfast, including the tipple for toasting with is perfect whilst you to focus on the formalities.

As the evening commences, our in-house DJ will ensure that your guests are entertained while the bar keeps the drinks flowing. Once all the planning is taken care of, our team will be on hand all day to ensure your new adventure together begins in the most perfect of ways.

# A romantic hideaway to dream about.

When the partying is done, our elegant bridal suite will be ready and waiting for you. In the rafters of our fine building, your very own room is complete with a classic roll-top bath, characteristic beams and an irrisistably comfy double bed.

We also have five other luxurious rooms that can be included for your guests - ideal for those with great distances to travel, or for your closest friends and family that you want to share our full Yorkshire breakfast with to complete your stay.

With our platinum wedding package, there is also the options for you to accommodate the bridal suite the night before your big day, so you can relax whilst preparing for your special moment.
